MEMORANDUM FOR NATIONAL FOREIGN INTELLIGENCE BOARD PRINCIPALS

FROM : Executive Secretary, NFIB

SUBJECT: DCI Security Committee Study on Investigative Standards

1. Attached for your information is a copy of the pilot study report by a working group of the DCI Security Committee on the productivity and usefulness of standards used in background investigations for access to sensitive compartmented information under DCID 1/14. The Security Committee agreed at its 7 September 1977 meeting to:

- a. Continue the study of these standards using the same techniques.
- b. Maintain the current provisions of DCID 1/14, and review them in 1978 on the basis of more comprehensive data to be provided by the continuing study.
- c. And, consider realistic alternatives to investigative techniques so as to provide greater assurance of trustworthiness and loyalty by those to be granted access, and to improve the cost effectiveness of the personnel security process.

2. Attention is invited to the conclusions of the attached report, set forth on the next to last page thereof.
